About the E-Contractor Academy

Hosted by **Emerald Cities Collaborative** the E-Contractor Academy is a FREE 7-week workshop series focused on building the capacity of women- and minority-owned construction businesses to successfully grow in green construction fields such as energy efficiency, renewable energy, and building electrification. This Academy will take place in Springfield and will prioritize applications from contractors in Western Massachusetts.

Program Benefits

- ✓ Training and education on green construction topics with industry professionals
- ✓ Dedicated coaching and mentoring designed to help you grow your business
- ✓ Networking opportunities to connect with other diverse entrepreneurs in your field

When is the program?

September 18 - October 30, 2024
Weekly on Wednesdays, 5-7pm
Hybrid (In-Person and Virtual)

Who should apply?

We encourage Women and Minority-Owned Businesses across the construction industry to apply. Priority given to businesses in the following target trades - Electrical, Insulation, Carpentry, Mechanical, Plumbing, Roofing, and Glazing.

How do I apply?
