

Summary of Proposed Changes to the FFY 2026 Transportation Improvement Program (TIP) –
Amendment # 5 – May 2026

2026 HIGHWAY

- MassDOT Highway Division's Safety Program Managers have 3 new project additions to amend into the FFY 26-30 STIP. Since they are District-level projects, they are coded as "MPO = Statewide", however we know the municipalities where these investments fall and, therefore, which MPOs they affect. They will require a TIP Amendment release in May and endorsement in June MPO for your boards
